Information Capacity Coordination **Affordability** Integration **Building** Sharing **Strategies** 1. Forecasting 1. LMIS 1. Advocacy 1. Build Local 1. Interagency Manufacturers Coordination 2. Bulk 2. Lessons Quantification 2. HR 2. Coordinate Procurement Learnt 2. Procurement with Pharma Development 3. South-to-South 3. Finance Sector opportunities 3. Storage mechanisms 4. Distribution 4. Client affordability 5. QA **Actions**

Results of the planning will inform supply chain activities in 2017-2019

- Strategy document to be validated by Committee Members
- Finalized Strategy to be adopted
- Strategy document to be shared with stakeholders, donors and other health supply chain implementers
- Document to be reviewed and updated on a regular basis to reflect evolving needs and changing landscapes

Post PHC SC Strategy Document - Next Steps

- Identify the quarters in 2017-2019 for Activities.
- What factors and considerations should guide timelines?
 - Order of events
 - Current and anticipated capacity to accomplish task.
 - Available resources against Needs.
- Identification of Lead / Supporting organizations.
- Provision of Budget Activities/inputs to be budgeted(e.g. meeting costs, travel, printing, DSA)
- Agree on proposed timeframe & Lead organization,
 Budget for Final Adoption.

PHC SC Strategy Design: The Priority Areas Going Forward:

- 1. National Quantification for Visibility.
- Analysis of Forecasts for all programs beginning from 2016.
- Engagement with Local Pharmaceutical Manufacturers.
 GMP Road Map.
 WHO Certification.
- 3. Human Capacity Development
- Supply Chain Curriculum Development with Health Institutions.
- 4. Data Visibility (LMIS) Integrated LMIS solution under the GON Navision Project for all public health programmes
- 5. The Harmonised PHC Supply chain systems: procurement, distribution, warehousing and transport
- 6. Supply Chain Networking & Redesign of Warehousing.
- Strengthening of CMStores and Cold Chain Stores
- 7. PHC Distribution Networking (Pharmaceuticals Distributors, Routing, Central Hub & Facilities)
