

eVPPEF

Objectives of the Meeting

UNICEF

Ann Ottosen

Senior Manager

15th December 2020

Objectives and Methodology of the VPPEF

Through engaging and sharing experience amongst countries, improving planning towards successful procurement and delivery of COVID-19 vaccines

METHODOLOGY

- A mix of general updates in plenary sessions (day 1) and parallel sessions on selected topics with focused discussions and a higher level of interaction (day 2)
- Sessions facilitated by a **Subject Matter Expert**
- A presentation / update on a **specific topic**, with time set aside for participants to **engage, interact, share experience**.
(more time for presentations during day 1, more time for discussions during day 2)
- 45 min sessions (except for 2 sessions of 30 min on day 1)

Continuing the conversation

Vaccine Procurement Practitioners Network

Organizations  Private  1131

At the end of the 2-day meeting, we will share a [brief survey](#) to get your feedback on the Forum and help us improve

The discussions will continue online. If not a member yet, create a profile on the [VPPN](#). Contact person: Andrea apapan@unicef.org

Housekeeping

**We are over 360
participants today
so...**

- Please stay on mute with video off, while not speaking to preserve the livestream quality
- Please save any intervention, comment or question for the discussion **after the presentation**
- During the plenary sessions (today)
 - We encourage participants write their name, country, organization and question, comment or intervention in the chat function.
 - The moderating team will be reading your intervention back to the audience
 - Please note that due to the large audience and limited time we may not be able to share all interventions verbally.
- The **materials will be available** for everyone after the meeting, on the VPPN

If you are facing any technical issue, or if you need any support please reach out to Soren at smhansen@unicef.org.

Thank you!
